

Sessional Outdoor Leader with a Difference

How about a fresh adventure ? A big challenge? A place to develop your personal and professional skills in the spectacular setting of the Victorian High Plains & Glen Valley?

Mittagundi currently has opportunities for a skilled outdoor leaders to join our team.

Mittagundi is a unique outdoor education centre that believes in simplicity, community and people as the most important part of our organisation. There is an exciting opportunity for outdoor leaders to join our close knit team. We provide life changing experiences for young people from diverse backgrounds in the Bogong High Plains and at our pioneer style working farm in the picturesque Glen Valley. The right outdoor leader will be sharing their skills and supporting a diverse and enthusiastic leadership team.

So. If you have a desire to live in a simple, honest and happy way, an urge to do something just a bit different, and a deep sense of the value of working with young people in challenging environments to achieve amazing outcomes this could be an opportunity for you.

The dates that we need leaders for are:

Girls Program 369	25th February - 7th March
Boys Program 370	11th March - 21st March
Girls Program 371	1st April - 11th April
Boys Program 372	16th April - 25th April
Girls Program 373	29th April - 9th May
Boys Program 374	14th May - 23th May

You are welcome to apply for one program or all of them. Please call for the latest date availability.

In exchange for your awesome energy Mittagundi provides a great salary package including all your food and board (including many living expenses), intensive training and skills development that continues for the whole time your here, and a bit of cash to keep the wheels turning.

Key Selection Criteria

Experience leading young people in the outdoors.

Passion for empowering young people to learn and grow.

Strong sense of maturity and solid work ethic. Sense of confidence to 'have a go'.

Positive attitude to life and challenges, ability to cope with stress and pressure.

Committed to working as part of a close team and to working through differences with open and honest communication.
